

## **Job's Great Suffering:**

### **Lesson 28 Visuals**

- **Job feared the Lord his God. Job stayed far away from sin.**
- **Job had 7 sons, 3 daughters, 7K sheep, 3K camels, 500 teams of oxen, 500 donkeys, and many servants.**
- **God bragged on Job saying he was the finest man in all the earth and that he fears God and stays away from evil.**
- **Satan said if God took everything away everything he has, Job would curse God.**

- **God gave permission to Satan to do whatever he wanted to Job as long as he didn't touch Job's body.**
  - **Job lost everything he had in one day.**
  - **Job did not curse God.**
  - **After God took everything he had, Job worshiped the Lord.**
  - **God bragged on Job again.**
- Satan then said that surely Job would curse God if his health was taken away.**

- **Job's health was taken away. He was covered from head to foot with very painful boils.**
- **Job still did not curse God.**
- **Job said, "Should we accept only good from God and not bad?"**
- **Eliphaz, Bildad and Zophar sat on the floor with Job for seven days and nights without saying a word.**
- **Job said in Job 13:15, "Even if God kills me, I will hope in God."**
- **Job's friends thought Job's secret sins was the reason for Job's suffering.**

- **Job thought the reason he was suffering was that God was being unjust towards him.**
- **Job and his friends needed God's wisdom.**
- **Elihu was younger so he waited to speak. He said it was impossible for God to do wrong and for the Almighty to act unjustly.**
- **Starting in Job 38, the Lord God began to speak and gave Job real wisdom.**
- **But the Lord never explained to Job why he suffered.**

- **The Lord helped Job see that He alone is God of the Universe and our minds cannot comprehend all that God does.**
- **Then the Lord asked Job, “Do you still want to argue with the Almighty God?” Job replied, “I will put my hand over my mouth.” Job didn’t want to argue with the Lord.**
- **Job told the Lord, “I know that You can do anything and no plan of Yours can be stopped.”**

- **The Lord told Job's friends that he was angry with them. He told them to have Job pray for them and that God would accept Job's prayer.**
- **The Lord restored Job's fortunes where he then had twice as much as before. Job ended up with double the amount of possessions as he had before.**
- **Job had 7 more sons and 3 more daughters.**
