

Tower of Babel:

Lesson 8 Visuals

- **5 Books of the Law are Genesis, Exodus, Leviticus, Numbers and Deuteronomy.**
- **After Noah and his family walked out of the ark, God told them, “Be fruitful and increase in number and fill the earth.” They were supposed to spread out and fill the earth.**
- **Noah’s sons and their children did not obey God’s command to spread out and fill the earth.**
- **Only one language was spoken in the world at that time.**

- **Men learned to make bricks which made building much easier.**
- **The people built a city, so they did not have to obey God's command to spread out and fill the earth. They were building a city so they could all live their together.**
- **The people built a high tower to make a name for themselves.**
- **Only the Lord God deserves praise and worship.**
- **God confused the languages to make sure the people spread out and filled the earth. One language became many different languages.**

- **When the people realized they could not understand each other, they spread out and filled the earth just like God had originally told Noah and his family to do.**
- **The city was named Babel and the tower in that city was named tower of Babel.**
